

# Season's Greetings From The SurfON Team!

The SurfON Team would like to wish you all Merry Christmas, a Happy Hanukkah, and a joyous festive period however you choose to celebrate! Thank you all so much for your efforts this year, we have now recruited 381 SurfON Babies and are well on our way to the next milestone of 400 recruits! This would not have been possible without the hard work of the teams at sites and we are incredibly grateful! Here's to another successful year of research with SurfON in 2023!

## SurfON Christmas Contact Details

- There will be a member of the SurfON team working every **non-bank holiday day** over the festive period. As usual we can be contacted on **(01865) 289 437 / 289 738 / 617 965** or via our email [surfon@npeu.ox.ac.uk](mailto:surfon@npeu.ox.ac.uk)
- On Bank Holidays days or outside of usual working hours for any urgent safety or incident reporting call:  
**0800 138 5451**

**Please note this is only for out of hour's emergency support!**

- Safety reporting is to continue as usual with any SAEs reported within **24 hours** of the site becoming aware of the incident. Sites should ensure adequate cover for the holidays with a delegated clinician available to complete causality assessments (If there is nobody available please still report!). Do remember that **the safety-reporting window will be open from randomisation until infant's discharge home** regardless of any hospital transfer that may occur.

## Christmas Prize Draw

We will be running January prize draw from:  
**20<sup>th</sup> December 2022 until 20<sup>th</sup> January 2023**

With each randomisation counting as an entry and the winner being picked at random at the end of January!

**Good Luck Everyone!**

## Christmas at NPEU!

We have been hard at work sending out presents to sites and spreading festive cheer!

### How to stay on Santa's nice list!

- ✓ Double checking consent forms before sending them. Make sure all signatures, dates and initials are correct.
- ✓ Completing Respiratory Logs for a full 24 hour period after infants begin breathing in air and a delegated individual signing each page.
- ✓ Attending SurfON drop in sessions! We endeavour to run a session each month so keep an eye out! This is a great opportunity to network with other SurfON sites and share experiences.
- ✓ Reporting any potential SAEs within 24 hours.
- ✓ Sending patient identifiable information to our secure [ouh-tr.surfon@nhs.net](mailto:ouh-tr.surfon@nhs.net) mailbox rather than our University mailbox. Please ensure it is sent from your secure account as well!

### Meet the SurfON Team!

Kerri

**Favourite Christmas Film:**  
Meet Me in St Louis

**Favourite Christmas Song:**  
Fairytale of New York

**New Year's Resolution:**  
To read at least one new book a month!

Pauline

**Favourite Christmas Film:**  
The Holiday

**Favourite Christmas Song:**  
Anything by Michael Bublé

**New Year's Resolution:**  
To chill out more!

Indrani

**Favourite Christmas Film:**  
Home Alone (on repeat!)

**Favourite Christmas Song:**  
Santa Baby

**New Year's Resolution:**  
Live one day at a time & know everything will be well at the end!

**Thank you for all your hard work and your ongoing support of the SurfON trial!**
